

# THANK YOU

August 2009

Dear Friends,

Summer season is well underway with an abundance of outdoor activities for the entire family. Outdoor enthusiasts will find over 300 miles of trails, with lift serviced mountain biking/hiking at all three ski resorts, fresh produce and crafts at the Farmer's Market each Wednesday from 12-6pm at The Canyons Resort, and free outdoor Sundance movies at the city Park.

The Utah Symphony will have 11 performances at Deer Valley this summer. Special guest stars playing with the **Utah Symphony** at Deer Valley will include: **Abba** on July 18, **Leann Rimes** July 25, **Gershwin** evening August 14th and **Elvis Costello** August 15.

*The Big Bad Voodoo Daddy's got things moving last year At Deer Valley during the 2008 Jazz Festival.*

The Park City Jazz Festival August 21st – August 23rd will present saxophonist **Warren Hill** and jazz vocalist **Al Jarreau** this season. The St Regis Big Stars, Bright Nights concerts will feature **Blood, Sweat & Tears** on July 3, **Simone & Ryan Shaw** on August 2, and conclude the summer season with **Chuck Berry** on August 29th and **Robert Earl Keen** September 7th.

Real estate sales have been slower than usual this summer, however inventories are decreasing and overall sales have increased since the end of ski season, indicating a rebound in buyer activity. The Rocky Mountain Resort Alliance, an association of 11 Rocky Mountain ski resorts, has recently posted comparative real estate data ranking the Park City area #1 for overall Total Sales Volume, outpacing Vail, Sun Valley and Telluride; however the Average Sales Price for the Park City area ranked #4, indicating that real estate prices here are still 20-30% less than many comparable ski resorts.

Many thanks for your support, please enjoy this month's magazine; we look forward to seeing you this summer!

Sincerely,

*Craig & Delia*
